WELCOME TO SAKE ON THE COUCH 2021!

SAKE ON THE ROCKS COUCH 2021
Saturday, July 17 | 7 PM
VIP Reception 6:00pm, Main Event 7:00pm

ENTERING THE VIRTUAL WORLD:
- Your Avatar
- Mini Map

These instructions will help guide your experience. Please also see the Demo Video in the virtual world for additional instructions.

Copy and paste the link into a Chrome or Firefox browser. Only Chrome and Firefox are supported.

When opening the link above, you'll be prompted to enter your name:
Select your camera, mic, and speaker and you'll be ready to "Join the Gathering".

Once you are inside, you can change your avatar characteristics by clicking on the avatar icon on the bottom of your screen.
To see a bird's eye view of the map that you are in, click on the trifold map found on the bottom of your screen.

EMOJIS & RAISING YOUR HAND
Have fun with Emojis! You can access them from the bar at the bottom of your screen.
Note: The raised hand will stay raised until you clear it. All other emotes will disappear after 3 seconds.

HANGING WITH SOME FRIENDS
Click the pinch icons to enlarge the video screens.

CHATTING
Wondering how to chat? In the menu bar on the left side of your screen, click the speech bubbles.

INTERACT WITH OBJECTS
As you approach a clickable item, it will glow. Press 'x' to interact.

GHOST MODE
You can go into ghost mode to walk through other avatars if you're stuck. Press the (G) key and watch yourself disappear!

DANCE MODE
Want to meet some friends for a dance party? Press the (Z) key to get your groove on!

SUPPORT
ZW-SUPPORT@ZEACON.COM
HOTLINE NUMBER (+1 925-434-5211)
If you ever need help or support, you can find LTSC Staff within the virtual world denoted with stars by their name.
If an LTSC Staff member is tied up and you need immediate support, you can e-mail:
Or you can call:

You can chat with people nearby or you can chat with everyone.
You can also chat with people individually.

FIND A FRIEND
In the menu bar on the left side, click the icon with the people to open the participant list.
If you find a friend's name in the participant list, click their name, then on the right hand side select "locate on map". A line will appear from your location to theirs.
Once you arrive, you can select "stop locating" under your friend's name.
