> One of my church members, who is a nonagenarian, was hesitant to get the covid vaccination. It didn't matter what I said, she was still reluctant. Then, LTSC came around to her residence. She got signed up and got the vaccine without a fuss! I am so grateful!! Thank you!!

Asians for Miracle Marrow Matches (A3M):

Last year, Be the Match Registry announced that they will not continue partnering with recruitment centers like A3M, and instead have launched a new Asians and Pacific Islander (API) branch of Be the Match to address the need of finding marrow donors for patients of API ancestry. After 30 years of life-saving work, A3M closed at the end of 2021. Thank you to these donors for contributing to the success of A3M's final year!
